Corporate Calendars

Calendars are one of the best forms of advertising.

- Calendars are one of the most cost effective and least expensive forms of advertising.

- Calendars can be handed out individually or together with other marketing material.

Please Note:

- Overprints of your company details can be printed in 1, 2 or full colour in the space provided.
- Logos should be supplied in a high resolution format either as a TIFF, JPEG or PDF (preferably a vector PDF).
Your logo and address details will be placed in the area marked "Company Details".
- Order quantities are stipulated in the brochure, however should you require different quantities please consult one of our sales representatives.
- Orders requiring delivery by the end of November should be placed by the end of August.
- Images represented on the calendars are subject to change.
- Dates, school terms and public holidays correct at the time of going to print.
